CONSENT AND RELEASE

As the parent or legal guardian of the aforesaid child, I consent to my child’s participation in the Arizona School of Classical Ballet (ASCB) dance training program, auditions, rehearsals, and performances, as well as recreational activities at various locations to enrich his/her dance experience. I understand that dance is a very physical activity and there is a risk of accident or injury inherent in dance.

I am aware that dance is a physical activity which requires touch and hands-on corrections from teacher to student to reinforce proper alignment and positioning of the body. I agree that the iDance, LLC (DBA Arizona School of Classical Ballet) along with its employees, consultants, volunteers, advisors, directors and/or agents shall not be responsible for any injuries to be caused during my child’s participation.

I do hereby voluntarily waive and release any and all actions, claims, and demands for any damage, injury, or loss to person or property which may be sustained by myself, my child and/or ward directly or indirectly during the course of or as a result of my child’s participation as set above.

I hereby grant permission to person(s) listed as emergency contact, my child’s physician, ASCB’s directors or the director’s designee to take whatever action is deemed necessary for the health of the aforesaid child in case of injury, accident, or illness until I, my spouse, or the child’s legal guardian can be contacted.

I further authorize the release to health care workers any medical and personal information ASCB or the person listed above may have regarding the student and the use of such information by health care workers in the subsequent medical treatment of the student.

HEALTH INSURANCE

I certify that my child is covered by a medical plan or health insurance that includes coverage for injuries that may be sustained while student is participating in classes, rehearsals, performances or any activities sponsored by ASCB. We/I will assume all responsibility for the payment(s) or medical treatment if an injury does occur while he/she is a student at iDance, LLC (DBA Arizona School of Classical Ballet).

ASCB will not be responsible for any cost or liabilities resulting from a lack of medical coverage. Please note: ASCB does not provide any medication to the student.

I acknowledge that I have read and understand this Consent and Release and have had any questions answered to my satisfaction.

Spring Semester: January 3rd, February 7th, March 7th, April 4th, May 2nd

- If not available to pay in person, please mail your tuition postmarked no later than 5 days after the payment date to avoid late fee (see policy and fees below)
- \$30 return check fee will be added on all insufficient fund checks.
- All accounts are required to have a credit/debit card on file. Tuition payments will be automatically charged to that card with an additional \$20 late fee one week past the tuition due date, unless tuition has been paid by the dates indicated above. The parent, who signed the registration form, is responsible for the full payment amount. We do not send statements. If your credit/debit card transaction does not go through on the date one week after the due date, an additional \$10 will be automatically added to the late fee. Once a student becomes inactive the card will no longer be charged. (See the withdrawal policy below for clarification.)
- If your child is no longer taking classes, the studio **MUST BE NOTIFIED** either by email, calling, or direct communication to the office staff. Any outstanding fees on the account for the current session must be paid in full upon withdrawal. If you do not notify the office of withdrawal, you are at risk of being charged.
- If your child is absent due to any reason: illness, vacation, other activities, payment is still due on the dates indicated above.
- Tuition is non-refundable and will not be pro-rated or refunded for missed classes. Any student who has missed or will miss a class may make-up classes in the level below within the same semester.
- If a student is going to be late to class, please call the front desk and we will notify the teacher. If a student is going to be late 10 minutes or more, their admittance into class is at the discretion of the teacher. The teacher will take into consideration whether or not the class is already warmed-up and if it would be unsafe for the late dancer to join class and also determine how disruptive the late arrival would be to the rest of the class. If a teacher determines the student is unable to attend class, make-ups may be made.
- Attendance is recorded by the teachers and given to the school office. Excessive absences or tardiness may affect your child's performance participation and advancement to the next level.
- We enforce a dress code. Students not dressed according to the dress code including shoes and hair appropriately done will not be permitted to take class. Make-up classes can be done for missed lessons. Please check the dress code for your dancer's level. **ALL STUDENTS** should arrive and leave with appropriate clothing covering their dance attire. Also, all students must wear street shoes when coming to the school.
